OBJECTIONS

Objections to nominating petitions may be filed either in the Springfield or Chicago office of the State Board of Elections. An objector's petition shall give the objector's name and residence address, and shall state fully the nature of objections to the petitions in question, and shall state the interest of the objector and shall state what relief is requested of the electoral board. Although not required by law, the Board also requests that a phone number, fax number, and e-mail address (if available) be provided. When filing an objection, an original and two additional copies must be submitted. Objections that do not include two copies will NOT be accepted. Board staff will not make copies of the objection for you to be submitted with your original filing. (10 ILCS 5/10-8)

Objections must be filed no later than 5:00 p.m. on December 11, 2017. This means the objection must be time-stamped by 5:00 p.m. It is not sufficient to be present in the Board's office and in line at 5:00 p.m. Traditionally, there is a long line of people to withdraw and file objections on the last day.

All candidates should check the status of their nomination petitions on the SBE website (www.elections.il.gov) or call to determine if an objection has been filed against them. Please see the back side of this page to determine which electoral board will handle a given district.
